¹ These dates indicate the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee

registered as a political committee with the Commission up through the close of books for the first report due.

² Notice that this filing deadline falls on a weekend or federal holiday. Filing deadlines are not extended when they fall on nonworking days. Accordingly, reports filed by methods other than Registered, Certified or Overnight Mail, or electronically, must be received before the Secretary of the Senate Public Records Office's (or for committees not supporting only Senate candidates, the Commission's) close of business on the last business day before the deadline.

On behalf of the Commission,

Lee E. Goodman,
Chairman,
